The scientific evidence on COVID-19 vaccination, test and recovery continues to evolve, including with regard to new virus variants of concern.

Before travelling please check the applicable public health measures and related restrictions applicable at the point of destinations. This certificate alone is not a travel document. Please remember to bring other relevant documents.

The person being tested is informed about the test procedure, possible outcome, the final result and that Copenhagen Medical A/S shares the informations above including CPR-number/Date of birth with the Danish Health Authorities and accepts this.

The test is performed under medical delegations by Copenhagen Medical A/S and complies with applicable rules cf. the publications 'The legal framework for offering test in relations to COVID-19 from the Danish Agency for Patients Safety, the National Board of Health and the Danish Medicine's Agency' of 7 October 2020.

The test result is quality controlled and verified by:
